

An aerial photograph of a modern school building. The building features a large, flat, grey roof and light-colored walls. A paved courtyard area with a pattern of light and dark grey tiles is situated in front of the building. Several people are walking in the courtyard. To the left of the courtyard is a green lawn. To the right is a paved parking area with a few cars. The building is surrounded by mature trees and greenery.

An architectural rendering of a modern, single-story building with a flat roof and large glass windows. The building is surrounded by landscaping, including trees and shrubs. Two people are visible in the foreground, one walking and one standing near a car. The sky is blue with light clouds.

A photograph of a modern, single-story building with a dark roof and large windows, surrounded by trees and a parking lot. A white car is parked in the foreground.
